

Healthy Aging, Healthy Community Geriatric Seminar Series

Geriatric Community Education Outreach Program

The NIHAN* Geriatric Seminar Series provides **free** virtual health care education and resources to geriatric communities, by presenting topics related to the evidenced-based 4Ms age-friendly health care: What Matters, Medication, Mobility, and Mentation.

The seminars are held every **Tuesday**,
March 5 through June 11,
via **Zoom**, from **12:00 - 1:00 p.m. Pacific Time**.

**The Nevada Interprofessional Healthy Aging Network (NIHAN) project is UNLV's Geriatric Workforce Enhancement Program (GWEP) at the Kirk Kerkorian School of Medicine.*

To attend the NIHAN Geriatric Seminars, please **register** with the corresponding link. Zoom meeting links will be emailed to you, upon registration.
