

4M's Age-Friendly Health Care

Geriatrics Grand Rounds "Geriatric Care through Telehealth"

The Geriatrics Grand Rounds (GGRs) program is a free weekly training series for healthcare providers utilizing *Telehealth* and the *4Ms for Age & Ability Friendly Care* topics. This series is developed in partnership with **Comagine Health**, a national, nonprofit, health care consulting firm.

These six virtual sessions are every **Wednesday** from **May 15 - June 26, 2024** via *Zoom*. This series is eligible for up to **6 Continuing Medical Education (CME)** credits.

Participants *must* register for the live webinars. After registering, you will receive a Zoom link & information to access the earned CME credits.

To register, scan the QR code and choose the individual session you wish to participate in or click the link in the "REGISTER" column on this page. ↪

DATE AND TIME	TOPIC DESCRIPTION	REGISTER
<p>May 15, 2024 8AM - 9AM* Pacific Time</p>	<p>Steptoe Valley elegy: White Pine County, Middle of Everywhere</p> <p>White Pine County is a typical rural community that has limited access to health care.
